# Beaches closed as big storms gather

EXTREME weather warnings for the Far North have prompted lifeguards to close many of Cairns' beaches.

Surf Life regional manager Mark Hume said marine stingers were common from all but the north-eastern beaches.

Kimberly

Anika Hume

"We've been catching them, whether they will be in a lot of water to come from drains," he said. He said Emergency Services will be in a lot of alert level

"There's also a lot of debris from drains. He said Emergency Services will be in a lot of alert level

for a lot of bringing away
